

ZHENG Xubin

Attorney at Law

Graduated from the University of East China Political Science and Law with a LLM degree.

Mr. Zheng Xubin has rich experience in providing legal services at the areas of corporate compliance management and foreign capital investment/withdrawal, having served companies for daily legal advice and dispute resolution. His representative cases include:

- Legal service for major Japanese corporations in compliance management with regard to employee crime, commercial bribery, and so on, including assistance in investigation and prosecution and in compliance assessment and system design.
- Legal service for Japanese corporations' investment in Chinese joint venture with regard to due diligence, investment scheme and so on; legal service for Japanese corporations' withdrawal of investment from China with regard to liquidation of enterprise, accommodation with staff, coordination with government and so on.
- Legal service for foreign- or domestic-funded corporations with regard to debt recovery, including assistance in negotiation strategy design and participation in legal proceedings.

Mr. Zheng Xubin's working languages are Chinese (Mandarin and Cantonese) and Japanese.
